Fr. William Meninger

“The Enneagram as a Tool for  
Christian Transformation”

Friday, Feb. 15 - Sunday, Feb 17

Cervený Conference Center  
at Camp Weed  
Live Oak, Florida

“I have not found another tool as helpful as the Enneagram in expressing the profound truths about human nature. It is compatible with any philosophy or religion that expresses these profound truths.”  
Fr. William Meninger

- **The Retreat**

Fr. William Meninger returns to the Tallahassee area to present a weekend retreat on “The Enneagram as a Tool for Christian Transformation” in the quiet peaceful setting of Camp Weed.

Beautiful and peaceful - Mandi's Chapel is the spiritual center at Camp Weed.

The Enneagram is an ancient spiritual guidance tool that can be used to help us discern what is preventing us from a full and true relationship with God. The Enneagram is a study of nine basic types of people. It explains why we behave the way we do and points to specific directions for individual growth.

In Fr. William's words, “The Enneagram is only a tool. The Enneagram teaches self-knowledge. Self-knowledge is important to the spiritual journey.”

Self-knowledge is important to the spiritual journey.”

Fr. William is an excellent guide in understanding and using this

tool. He has taught several hundred Enneagram Workshops and Retreats worldwide in places such as Jerusalem, Zurich, Alaska, Singapore, New York, Boston, Atlanta and Washington, DC.

- **Retreat Bookstore**

A selection of books and CD's from St Benedict's Monastery will also be available for sale during the retreat. The proceeds from the sales will return to St Benedict's to support their ministry.

- **Fr. William Meninger**

Father William was born, raised and educated in the Boston area in Massachusetts. His mother was born and raised in County Kerry and his father was a Quaker from Pennsylvania.

Father William Meninger

Ordained in 1958, after 8 years in St. John's Seminary, he was incardinated into the Diocese of Yakima, Washington where he worked on an Indian Reservation and with Mexican traveling workers for 6 years. In 1963 he entered the Trappists at St. Joseph's Abbey in Spencer, Massachusetts, where he served in the guest house for 15 years. There he taught Scripture, liturgy and patristics and served as prior and dean of the junior professed monks.

In 1979 he was transferred to a daughter house, St. Benedict's Monastery in Snowmass, Colorado, where he served as Prior, vocation director, novice master, and teacher of theology and scripture. He spent 3 years in Israel where he studied scripture and taught at the Center for Biblical Studies in Jerusalem and at the Trappist Monastery of Latroun.

He also did graduate studies at Seattle University, Harvard Divinity School, and Boston University. In 1974 he originated the workshop on Contemplative Meditation (later known as Centering Prayer) which he now teaches worldwide along with workshops on Forgiveness, the Enneagram, Sacred Scriptures, and Prayer. He leaves the monastery only 4 times each year to do this lest he lose his own monastic orientation while sharing it with others.
